All,

As discussed, today begins the annual peanut frost advisory for Virginia and the Carolinas. If there is someone else I should add to this daily email list, please let me know. Advisories will be recorded daily M-F on our hotline number at 1-800-795-0700 and can also be accessed online at <https://webipm.ento.vt.edu/cgi-bin/infonet1.cgi>

Thanks and Happy Harvest!

Linda
